TOWN CLOCK AGENT

Paul F. Crowell

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Peterborough, in the County of Hillsborough, in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town of Peterborough on Tuesday, the ninth of March next at eight of the clock in the forenoon, (Polls close at 6:00 P.M., unless otherwise voted) to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing, to vote to see if beano shall be legalized in said Town and to see if the Town will vote on the question of a Zoning Ordinance as proposed by the Planning Board.

Article 2. To raise and appropriate such sums of moneys as may be necessary for the Town Officers' Salaries, Expenses and Election and Registration, Peterborough District Court, Town House, Police Department, Fire Department, Civilian Defense, Care of Trees, Health Department, Town Dump, Vitals, for laying out and repairing of the Highways, Street Lighting, Old Age Assistance and Town Poor, Memorial Day, Adams Playground and Pool, Putnam Park, Cemetery, Town Library, Town Water Charge, Monadnock Region, Town Planning Board, and for any other charge arising within the Town.

Article 3. To see what sums of money the Town will vote to raise and appropriate toward paying the Town Debt and Interest.

Article 4. To see if the Town will vote to accept legacies and gifts to the Town in trust or otherwise by any individual or individuals.

Article 5. To hear the Reports of Agents, Auditors and Committees or Officers heretofore chosen and to pass any vote relating thereto.

Article 6. To see if the Town will vote to raise and appropriate the sum of Eleven Hundred Fifty-Six Dollars and Seventy-One Cents ($1,156.71) provided the State

gives Seventy Seven Hundred and Eleven Dollars and Thirty-Eight Cents ($7,711.38) for the construction of Class IV and V Highways.

Article 7. To see what sum of money the Town will vote to raise and appropriate for the purchase and installation of a sink, card catalog and other equipment for the Town Library, or take any other action relating thereto.

Article 8. To see what sum of money the Town will vote to raise and appropriate for the rebuilding and widening of Wilder Road from bridge to the MacDowell Dam, or take any other action relating thereto.

Article 9. To see what sum of money the Town will vote to raise and appropriate for the purchase of the following Fire Department equipment, or take any other action relating thereto:

4 Mobile Radios
600 ft. 1½″ Hose
300 ft. 2½″ Hose

Article 10. To see what sum of money the Town will vote to raise and appropriate to rebuild the so-called Noone's Bridge, or take any other action relating thereto.

Article 11. To see what sum of money the Town will vote to raise and appropriate for straightening the curve and widening road at the curve on Powersbridge Road near Noone's Bridge, or take any other action relating thereto.

Article 12. To see if the Town will vote to install the following Street Lights and raise and appropriate money for the same, or take any other action relating thereto.

1. One new 1000 L light on High Street, nearly opposite Orrin Smith house.
2. One new 3500 L light opposite residence of Charles Miller on Old Dublin Road.
3. One new 3500 L light at corner of Webb Road and Maple Ave.

Article 13. To see what sum of money the Town will vote to raise and appropriate and authorize the Selectmen to purchase a new Police Cruiser and exchange the present one, or take any other action relating thereto.

Article 14. To see what sum of money the Town will vote to raise and appropriate to complete the Town's share for rebuilding State Bridge #162/170 on the Greenfield Road, or take any other action relating thereto.

Article 15. To see what sum of money the Town will vote to raise and appropriate to purchase two (2) radios for the Police Department, or take any other action relating thereto.

Article 16. To see what sum of money the Town will vote to raise and appropriate and to authorize the Selectmen to purchase a new Highway Truck and exchange the present one, or take any other action relating thereto.

Article 17. To see if the Town will authorize the Selectmen with the Playground Committee to purchase a new filter plant for the Pool and to pay for same by taking the balance from the accumulated interest of the Noone Fund as of December 15, 1965, or take any other action relating thereto.

Article 18. To see what sum of money the Town will vote to authorize the Selectmen to raise for an additional water supply. Such sums to be taken partly from the Water Department Capital Reserve Fund and the balance through the issuance of serial bonds or notes under and in accordance with the Municipal Finance Act and amendments thereto, and to authorize the Selectmen to issue and negotiate such notes, and to determine the time and place of payment thereof under such terms as they may deem to be in the best interests of the Town, or take any other action relating thereto.

Article 19. To see if the Town will vote to petition the General Court, now in session, to amend the Charter of the Peterborough Water Works as adopted in 1895, amended in 1935, and again in 1952 to permit the Peterborough Water Department to increase its borrowing capacity, or take any other action relating thereto.

Article 20. To see if the Town will vote to authorize the Selectmen to appoint a committee to work with the Selectmen to study the water rates, and its rules and regulations and to report and make recommendations at the next annual Town Meeting.

Article 21. To see if the Town will vote to authorize the Selectmen to appoint a committee to meet with them, to study, report and make recommendations at the 1966 Town Meeting regarding the 1959 Sewage Disposal System report and how the Town should begin action on this report in the interests of obtaining a sewer disposal system and paying for its cost, but no funds are to be appropriated at this Town Meeting, or take any other action relating thereto.

Article 22. To see if the Town will vote to accept the following ordinance or act in any way relating thereto:

> "No person shall locate or maintain in the Town a motor vehicle junk yard or machinery junk yard (both as defined by N. H. Revised Statutes Annotated as amended by Chapter 267, Sections 1-4) unless the yard is fenced so as to be completely hidden from view from any highway."

Article 23. To see if the Town will vote that hereafter: Off-Street parking for motor vehicles shall be provided as follows in connection with all new buildings of any sort hereafter erected in the town; space for one motor vehicle for each dwelling unit; space for one motor vehicle for each three hundred square feet of floor area of a building used for commercial purposes; space for one motor vehicle for each employee on the largest shift in connection with a building used for manufacturing or industrial purposes.

Article 24. To see if the Town will vote to discontinue a portion of Class V Highway between station 78+100 and Station 93+75 on part of Old Route 136 as specified on project S7278, or take any other action relating thereto.

Article 25. To see if the Town will vote to officially name one or more of its "new streets."

Article 26. To see what sum of money the Town will vote to raise and appropriate to pay the Salary of the Clerk of the Peterborough District Court, or take any other action relating thereto.

Article 27. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deed.

Article 28. To see what sum of money the Town will vote to authorize the Selectmen and the Town Treasurer to borrow in anticipation of collection of taxes for the current Municipal Year, and to issue in the name and on the credit of the Town, negotiable notes therefore, said notes to be paid in the current Municipal Year from taxes collected during the current Municipal Year.

Article 29. To transact any other business that may legally come before this meeting.

Given under our hands and seal this nineteenth day of February, in the year of our Lord Nineteen Hundred Sixty-Five.

Selectmen of Peterborough, N. H.

REPORT OF THE BOARD OF SELECTMEN TO THE TOWN OF PETERBOROUGH, N. H.

The following is a review of the voting at the 1964 Town Meeting, and the action which the Selectmen have taken in carrying out your votes.

Article 2 – The total appropriation under this article was $190,543.64 including amendments as follows: Adams Playground & Pool Account from $7,495.00 to $7,895.00, Putnam Park Committee – $900.00 to $1,100.00, increase of Salary for the Town Treasurer from $200.00 yearly to $500.00 yearly, retroactive to January 1, 1964.

Article 3 – Town Debt & Interest $2,000.00 – Motion Passed.

Article 4 – Trust fund Motion passed.

Article 5 – Report of Committee passed.

Article 6 – New Fire Truck – Motion Passed – Selectmen sold old truck for $185.00, and purchased new one for $23,000.00.

Article 7 – Fire Department Coats and Generators – Motions Passed. Purchases made by Fire Chief and Deputies.

Article 8 – Passed over to next regular Town Meeting.

Article 9 – Rebuilding of Drainage Off Grove Street – Motion passed.

Article 10 – Build State Bridge #162/170 – Greenfield Road – Motion Passed.

Article 11 – Reconstruct Condy Road Bridge – Motion Passed.

Article 12 – Improvement to Old Greenfield Road Bridge – Motion Passed.

Article 13 – Class IV & V Highways – Motion Passed.

Article 14 – Police Cruiser – Motion Passed – Exchanged 1963 cruiser for new cruiser for the total amount of $798.00.

Article 15 – Test Well Exploration – Motion Passed. Selectmen carried out by ordering Camp, Dresser & McKee to make investigation and full report.

Article 16 – Appointment of Highway Agent – Motion Lost.

Article 17 – New Street Lights – Motion Passed.

Article 18 – New Light Posts on Grove Street – Motion Passed. Selectmen and Planning Board carried out motion in late Spring.

Article 19 – Fire Station Floor – Motion Passed. Fire Dept. installed new floor.

Article 20 – Library Account – Motion Passed – Carried out by Library Trustees.

Article 21 – Resurfacing Cheney Ave. – Motion Passed – Road Agent carried out construction, during Summer Months.

Article 22 – Painting Town House Offices and outside – Motion Passed – Selectmen had painting done in April.

Article 23 – Indefinitely postponed by Planning Board.

Article 24 – Salaries of Justice, Associate Justice and Court Clerk – Motion Passed as follows: Justice, $1,200.00, Associate, $240.00. Clerk, $360.00.

Article 25 – Indefinitely postponed by the Selectmen.

Article 26 – Borrowing in Anticipation of Taxes – Motion Passed.

Article 27 – Publishing Town Report – All Water Users to be published in the Annual Town Report – Motion Passed.

Article 27 – Deduct Estimated Revenues – Motion Passed.

Article 27 – Resolution to Martin J. Keenan and Theodore W. Gunn as an expression of appreciation of their half century of dedicated services to the Town.

The Board of Selectmen had the three Insurance Agencies handling Town Insurance, have representatives from their main insurance companies make a complete survey of all town insurance. As a result there has been presented to the Selectmen a plan for the Town to revise their insurance under a multi-peril package policy designed especially for municipalities. We feel that this revision when put into effect will provide coverages for both fire insurance and public liability for amounts that are more in line with current good business practice.

The T.R.A. project (Class IV) was put into effect on Sand Hill Road improvements this year. This required invoking the law of eminent domain to secure land beside the road for purposes of straightening curves and providing proper slope at side of road. Timber that was cut on this land was sold to the Lorden Lumber Company to help off-set the land damages involved in the eminent domain proceeding.

BUDGET COMMITTEE REPORT, 1965

The opening paragraphs of Budget Committee reports in recent years have warned of the necessity for prudent fiscal management. These valid warnings were based on the fact that future years will see the need for consideration of major expenditures for sewage disposal, school building construction, and improvements to the water system. It appears that "future years" are now upon us. It has been proposed that a special study committee be established **this year** to consider sewage disposal; that the town proceed **this year** with the construction of a new school; and that construction of improvements to our water facilities commence **this year.**

The Budget Committee undertook its work with this background in mind. The committee has worked with the Selectmen, School Board, and department heads in order to achieve operating budgets which are frugal but nevertheless provide adequate, if not improved, town services. The committee feels that this result has been achieved.

TOWN OPERATING BUDGET

The Budget Committee approves of a base budget of $194,406. This is an increase of $2,697. We submit the following comments on the various items of the town operating budget.

Town Officers – includes $500 for a new position of Building Inspector required if the Zoning Ordinance is adopted.

District Court – up $700 to $2,300 to cover the first full year's operation as a District Court. Additional income from fines and fees will more than offset this increase.

Fire Department – up $500. Recent history has shown that operating costs have exceeded the budget. This is due to the increased amount of property to be protected.

Care of Trees – Your Budget Committee approves $1,000 which is the same amount as 1964. We do not feel an increase would be justified until a systematic plan of tree restoration is presented.

Health Department – up $200 to cover additional activity on the part of the Health Officer.

Highway Department – This department is to be commended for its operating efficiency, its positive pre-

ventative maintenance and replacement program, and cost awareness.

Street Lighting – increased to cover additional street lights.

Playground and Pool – up $700 to provide additional safety personnel.

Putnam Park – While approving this year's budget of $1,000, we look forward to the promised reduction in maintenance costs in future years.

Cemetery – Due to the merged cemetery, highway, and water maintenance, savings of $1,000 were achieved in this account.

Library – We approve a budget of $8,080 which is an increase of $1,580 to cover added janitorial services and staff salaries.

Planning Board – We approve a budget of $825. This includes the remaining amounts due as result of preparing and presenting the Zoning Ordinance plus the clerk's salary. Last year the Planning Board requested $600 for the preparation of a Town Map and directories. It appears that these funds were not used for this purpose. We have recommended that this year's request for printing the Town Map and directories be treated under a special article to insure that the monies will be spent only for this purpose.

TOWN SPECIAL ARTICLES

The Budget Committee approves the following special articles calling for $22,231.70 to be raised this year. This represents a decrease of $1,104.91 below last year.

Library – $440 of which $300 is needed for replacement of a card catalog and $140 for a sink to be installed on the main floor.

Bridges – $5,521.70 of which $5,000 is to be used to replank Noone's Bridge and $521.70 to be added to the $6,500 appropriated last year for rebuilding of the Otter Brook bridge over Route 136.

Wilder Road – $2,500 for rebuilding and resurfacing.

Powersbridge Road – $1,500 to widen and reduce the curve at the end of Noone's Bridge.

Fire Department – $2,830 of which $1,750 is to be used for new radios in conjunction with the change over from forestry radios to Mutual Aid and $1,080 for replacement of several hundred feet of hose.

Police Department – $915 which will buy a new state police radio set for the cruiser. An additional $585 is

tentatively approved for a radio base station if arrangements can be made to provide 24-hour coverage of the station.

Police Cruiser – In accordance with last year's opinion that it is wise to trade each year, the Budget Committee approves this request for $900.

Highway Department Truck – The committee approves $6,500 for the purchase of a new truck to replace worn-out equipment.

Planning Board – $1,125 of which $875 is to be used for the printing of the Town Map and directories and $250 for the printing of zoning booklets should the zoning proposal be passed.

Playground and Pool – The committee approves the replacement of the pool filter to be financed from the Playground reserve and the income from the Noone fund.

SCHOOL BUDGET

The school budget is the major burden of the property tax. Since the bulk of the budget is raised as a lump sum for operating expenses, the latitude and responsibility of the School Board is indeed enormous. In this day of increased educational demands, it is to be expected that the Board's role and influence on the tax rate will be even greater. It is therefore urged that increased attention be paid to the school budget to assure that the best possible use be made of the funds raised by means of the property tax.

This year the budget requests are as follows compared to last year:

	Budget 1964-5	**Budget 1965-6**	**Increase**
Operating expenses	$469,834	$538,777	$68,943
Special articles	19,782	36,125	16,343
Total	489,616	574,902	85,286
Less: Revenue	116,915	135,347	18,432
Raised by taxes	**$372,701**	**$439,555**	**$66,854**

The change in the operating expenses is caused mainly by the following increases:

Teachers' salaries	$25,000
New teachers	14,000
Assistant principal	7,500
Land purchase notes	15,600
Total	**$62,600**

The increase in teachers' salaries is provoked mainly by a need to raise the base starting rate from $4,200 to $4,500 per year in order to remain competitive with surrounding schools. The Budget Committee concurs with most of the above increases but feels that approximately $8,500 could be eliminated. This includes amounts for the new assistant principal and increased secretarial services. In view of present space limitations and the fact that the school tax assessment has increased nearly $100,000 (or approximately 30%) in two years, these additions are not felt to be absolutely essential and should be postponed.

The special articles consist of two items. The first requests $1,125 for a chain link fence to separate the athletic fields from the ravine. Since considerable land improvements may be undertaken soon at High street, this article is not recommended as the fence may have to be torn up to accommodate heavy equipment or permit dumping of fill. The second asks $35,000 for architects' fees of which approximately $25,000 will be due upon completion of the detailed working drawings and the balance upon acceptance of the building. If the School District votes to proceed with the building after final costs based on the working drawings have been determined, the entire amount of the architects' fees will be included in the bond issue.

In summary, if the Budget Committee's recommendations are followed and the special article for architects' fees is covered by the building bond issue, $44,625 of the increase could be eliminated leaving only $22,229 to be raised above that raised last year.

Respectfully submitted,

Gordon Hale, Chairman

PETERBOROUGH WATER WORKS

December 31, 1964

During 1964 your Water Commissioners received requests for 13 new service lines all of which were installed.

New mains paid by developers were installed to the extent of 429 feet of 8″ and 13 feet of 6″ diameter together with two new hydrants.

In connection with the TRA project on Sand Hill Road, it became necessary to move the hydrant at corner of Concord Street and Sand Hill Road about 36 to 40 feet from its former location.

The Cheney Ave. Tank was emptied and completely flushed in April. We have reduced the unmetered water users to 16 and are continuing with this metering project.

The board has adopted as standard equipment for all new installations a magnetic meter which can be read from the outside of the water users house. Twelve such meters have been put in already, and the program is a continuing one.

There were on December 31, 1964, 804 water users.

During the year the Water Commissioners engaged Camp, Dresser & McKee, Water Consulting Engineers of Boston, Mass. to undertake a thorough study of the Peterborough Water System, engage in test well engineering investigation exploration and to make a report with recommendations for the improvement and long range need of the water department.

For the entire year 1964 water was pumped as follows:

MONTHLY PUMPING STATISTICS

	Cunningham Pond	Well
	gallons	gallons
January	3,473,700	6,936,070
February	3,129,850	6,040,020
March	3,384,840	6,810,220
April	4,178,700	6,727,780
May	6,353,920	6,307,800
June	6,108,560	8,849,900
July	5,923,089	6,818,650
August	6,370,600	6,896,160
September	5,908,060	5,529,790

October	3,611,970	5,511,950
November	2,026,150	5,882,396
December	1,861,840	6,419,640
	52,331,279	78,730,376

Respectfully submitted,

Edmund J. Paradise
Superintendent

Benjamin Y. Brewster
Louis Teixeira
Edward J. Lobacki

REPORT OF OVERSEER OF PUBLIC WELFARE

It is a matter of interest to the Town, to be aware of an increase in the number of individuals receiving Old Age Assistance. Our case load has a net increase of six for the past year.

It is satisfying to report that full time employment was obtained in two instances when a request for direct Town aid was sought.

In both cases, although aid was requested, a preference for employment was indicated; and this office was instrumental in finding employment.

Respectfully submitted,

Fred E. Murray

Overseer of Public Welfare

LIBRARY TRUSTEES' REPORT

This has been a year of transition for the Peterborough Library. In April Mr. Allan Bertrand notified the trustees that he planned to retire soon from the position of librarian which he had held since 1953. Mr. Bertrand left us at the end of August, and his many friends and library patrons gathered at a farewell reception to express their appreciation of his years of service. The townspeople will always be grateful to Mr. Bertrand for his liberalization of library policies and his big part in the creation and maintenance of our library's attractive interior and cordial atmosphere.

The trustees were most fortunate in finding as successor to Mr. Bertrand Mrs. Kathleen Taylor, former librarian at Gilford, and a graduate of the University of New Hampshire summer course in Public Library Techniques, who assumed her duties the first of September.

With the change in administration, a careful review of all the library's policies seemed appropriate. In accordance with the recommendations of the American Library Association and the Governor's Committee for Better Libraries, the librarian and trustees have been formulating a written statement of library objectives and policies, which, when completed, will be published.

At Mrs. Taylor's invitation, Miss Lucille Wickersham, former Assistant Director of the Springfield, Massachusetts, Library, and now librarian of Bay Path Junior College, Miss Kay Fox, Keene Librarian, and Miss Shirley Barker, State Library consultant, have visited the Peterborough Library to study it and make suggestions for widening our collection, modernizing our techniques, and improving our services. We are grateful to them and to Mr. Emil Allen, State Librarian, and Miss Anne Kraus of the State Library staff for their valuable advice.One outcome of all this study is that special attention is being given to building up the children's collection.

Our physical plant is in good condition. A special town appropriation plus a gift of $250.00 made it possible to replant completely the lawn and shrubbery. The Garden Club again contributed attractive flower boxes for the front steps. Necessary repairs have been made on the bookshelves and lighting fixtures in the upstairs stacks, and on the portico storm door which was damaged in a windstorm. An iron handrail has been installed for safety on the steps of the front entry. A new pay phone makes it possible for patrons to make personal calls without dis-

rupting library business. This year the trustees recommend the installation of a sink and faucet in the workroom on the main floor.

The trustees are grateful to those who have given so generously to the library: to the Senior Citizens for their gift of a flag for Library Hall; to Dr. and Mrs. Edwin Land for their gift of $500.00 which is being used to purchase new encyclopedias; and to all the individuals and organizations who have given books, periodicals, or checks.

The Statewide Library Development Program has at last begun, and the Peterborough Library has applied for affiliation. Among the concrete advantages of affiliation will be the economics of centralized book purchasing and cataloging. Under this program the Peterborough Library will be a logical location for a Service Center, serving a wider area than at present, and in return receiving more aid from the state.

The importance of libraries in our society is becoming more and more widely recognized. The Library is a source of education and recreation for people of all ages and all walks of life. In this era of rapidly expanding knowledge, the library as an information center must be kept up to date in both materials and methods. It is the aim of the trustees to keep our library one of the best in the state.

Elinor C. Blodgett
Elizabeth Y. McGreal
Marshall P. Wilder
Trustees, Peterborough Library

PETERBOROUGH TOWN LIBRARIAN'S REPORT FOR 1964

It has been an exciting and challenging four months since my appointment as Librarian to the Peterborough Town Library. One of the most stimulating experiences has been the return of Story-time which has been so well received that two programs are now scheduled weekly; Tuesday at 3:15 and Wednesday at 11:05 A.M. Another experience which has given much satisfaction has been the writing of the monthly column "The Library Corner" which brings to our patrons news of events taking place in the library field on the local and state level.

Several minor policy changes have been made along with a rescheduling of library hours. Some of the bookcases and the card files have been rearranged, creating a more fluid and open atmosphere within the Library.

Heavy weeding of damaged, outdated and ephemeral books continues; the Reference Collection is being broadened in all areas and strengthened in those necessary to a well-rounded collection, and several new periodicals have been added to the magazine section creating a more balanced selection.

Mrs. Mary Stromgren, Mrs. Vivian Whitney, Mrs. Helen Richardson, and Mrs. Lydia Lamb (who replaced Miss Nellie Donovan upon her resignation in November) have capably handled the Circulation Desk with its many responsibilities; Chuck Wells has been faithful in taking the flag down daily; Cathy Harris is shelving books, and Marsha Baker is keeping the books in good repair. Mr. Alfred McLaughlin, our hard-working custodian, has kept the Library and its grounds in a most attractive and well cared-for condition.

The Librarian was invited by Mr. John R. Clark, principal of the Peterborough Consolidated School to speak before the entire faculty to explain the Library's policy in working with the school, and suggestions were made by the faculty towards strengthening the Library's services in that direction.

The Librarian also attended a Book Selection Workshop sponsored by the N. H. State Library at Concord, N. H., during November and was a group leader during one of the discussion periods.

Participation in the new Statewide Library Development Program has now become an exciting reality and will mean increased and better services to the patrons of the Peterborough Town Library.

Respectfully submitted,
Kathleen B. Taylor

Sumner, Highway Agent, Robert Martin, Florence Connell, Town Bookkeeper, Merchants and Citizens of Peterborough for the cooperation given me in the performance of my duty as Chief of Police during the past year.

Respectfully submitted,
Arthur G. Jackson
Chief of Police

REPORT OF THE CHIEF OF THE PETERBOROUGH FIRE DEPARTMENT, 1964

In January of 1964 Peterborough had its most serious fire in many years with the complete burning of the former Verney Mills at West Peterborough. The Fire Mutual Aid Organization proved its worth to our town by sending men and equipment from seven towns to assist in fighting the fire at no cost to Peterborough. It was a busy year for the department – sixty-two calls; in 1963, thirty-three calls were answered.

Fire Calls	62

Description of the 1964 calls:

Car and truck	5
Oil burner	8
Wood furnace	1
Chimney	4
Town dump	4
False	1
Mill	2
Grass and brush	11
Mutual Aid	7
Electric Appliances	10
Electric wire	6
Broken alarm box	1
Water department	1
Refrigerator plant	1

Following are the activities carried on by the Chief other than the directing of the department and the fighting of fires: inspecting all newly installed oil burners, inspecting water holes during the dry season, attending all monthly meetings of the Forest Fire Wardens, attending all monthly meetings of the New Hampshire Fire Chiefs' Association, attending the Fire Chiefs' Training School and the Forest Fire Wardens' Training School.

During the year the Fire Department entertained seventy members of the Hillsboro County Forest Fire Wardens' Association with a supper and speaker at the fire station.

Chief Craig, with the assistance of Lt. Larry Bishop, instructed 70 second grade pupils and their teachers and the deaf children from Crotched Mountain and their teachers at the fire station.

All rest homes, the hospital, the school, the motels, the Tavern and all other public buildings were inspected

by Chief Craig and Deputy State Fire Marshall Herbert Whitney.

Chief Craig and Deputy Fire Marshall Whitney worked with Mr. Boyd, Hospital Administrator, and Mr. Tuttle of Electropac on automatic alarm systems to be tied in with the Peterborough alarm system at no cost to the town.

Money for all requests for equipment, including a new LaFrance truck, was appropriated at the annual Town Meeting in March 1964. New radios were purchased to replace those which had been condemned by the Federal Communication Commission. Fifteen hundred feet of alarm wire and two alarm boxes were replaced.

I wish to thank the firemen, the citizens of Peterborough, the tower man on Pack Monadnock, the Selectmen and the town bookkeeper for the cooperation given me in the performance of my duties as Chief of the Fire Department of Peterborough.

Respectfully submitted,

Thomas J. Craig

Chief

REPORT OF THE FOREST FIRE WARDEN AND YOUR DISTRICT CHIEF

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy – both industrial and recreational – is greatly dependent on this forest resource. The responsibility for

adequate fire protection of this great area – 4,350,000 acres – is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.
3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.

Number of fires and burned area in 1964

	Fires	Area-Acres
State	886	875
District	253	129½
Town	11	8

Winthrop Hannaford

District Chief

Thomas Craig

Warden

HIGHWAY AGENT'S REPORT

Having been elected your Highway Agent at the Annual Town Meeting of March 1964, I am submitting at this time my report together with a brief summary of what was accomplished during the past year by the Highway Department.

General Maintenance

Projects pertaining to maintenance done this year were: road patching, street cleaning, cleaning culverts, ditches, and catch basins, lining streets and parking lots, painting bridges and railings, cutting brush, care of gravel roads and signs, and some tree work. During the winter months, snow removal is the chief project.

Extensive brush cutting was done throughout the town in conjunction with a program to spray the cut areas for brush control.

Betterment Projects

On Howe Road, Crosby Road and the Old Greenfield Road, the culverts were extended in order to make winter maintenance possible.

Other projects were at Orchard Hill, Pine Ridge, Blanchette Development and Mountain View Terr. The owners put in water and sub base at their expense. The oiling, sanding and finish grading was done at the expense of the town by our department.

Special Projects

On Grove Street Ext. and Cheney Ave. new drainage and culverts were put in and the roads were surfaced with Bituminous Mix to hold heavy traffic.

Old Greenfield Road Bridge was replaced with a structural steel plate, bridge flooring and galvanized universal beam. It was surfaced with Hot Top Bituminous.

Condy Road Bridge was eliminated by the installation of a pipe, 8 feet in diameter and 30 feet long, to save on bridge maintenance.

Sidewalk Construction

During the past year the sidewalk was rebuilt from Overseers Row to Gates Inc. The old cement was taken out and three feet of road space was gained. A Hot Top Bituminous was used to surface the new sidewalk and curb.

Bridge Maintenance

The bridges on Carley Road and on Crosby Road were painted and replanked.

Surfacing of Roads

Union Street was resurfaced with hot top.

Resurfacing was done with asphalt and sand, new work was done with penetration on the following roads: East Hill Road, Gulf Road, Wilder Road, Kaufmann Drive, Lookout Hill, Lobacki Drive, Old Sharon Road, Grove Street Ext., Cheney Ave., Mountain View Terr., Morrison Road, Powersbridge Rd. to hill, Blanchette Dev., Orchard Hill Rd., Pine Ridge, Sand Hill Road, Old Jaffrey Rd. to town line, Old Town Farm Road from 101 to fork.

Water Department
Main Line Extension

The Highway Department laid all the water line on Old Street Road. This is a main line extension of 442 feet and one hydrant, at the residence of Scott Taylor.

Class V Highways (T.R.A.)

Sand Hill Road from Concord Street to Old Street Road was rebuilt with Town Road Aid. This is a very important road, being the entrance to Monadnock Community Hospital. The road was rebuilt by the town, to the state specifications.

The road was widened to a uniform width. The removal of trees has made it easier to maintain this road.

This project also helped the Cemetery Department. All the extra fill from Sand Hill Road was put in the cemetery to make about 80 new lots. These burial lots will be graded and seeded in the spring.

The surface of the road is an asphalt penetration. The gutters are of hot top. This has helped the water to run faster and stop erosion.

At this time I wish to thank everyone who has contributed in any way to make the Highway Agent's job easier. It has been a pleasure to serve the people of Peterborough.

Respectfully submitted,

Robert E. Martin

Road Agent

COMMITTEE REPORT ADAMS PLAYGROUND, 1964

1964 was one of the most successful years in the history of the pool and playground. As a year-round center in the recreational life of the town, the program begins and ends with ice-skating on the flooded tennis courts. As soon as the ice and snow are melted by the spring sun, the tennis courts are readied for tennis, and remain busy until November. In June, the more organized functions of the playground begin – Pee Wee and Junior Leagues begin their baseball practices and games, and the pool and playground staff begins its work. The summer program is the focal point of our work.

A successful summer such as this one was, begins with good pre-season work. This spring, the pool seams were sealed by a pool expert from Amherst, and this eliminated a serious tar problem. A fine job on the general maintenance was done by George F. Shea, Jr., University of Houston junior, with the help of Jim Clark and Larry Kemp. The buildings were scraped and painted, the parking area repairs completed, and all playground equipment was repaired and readied for action.

On June 22, the playground opened its gates to begin its formal eleven week program. The staff included: swim instructor, Mr. Richard "Pete" Koehler, Conant High School teacher; swim instructor and lifeguard, Mrs. Julie Odell Barker; tennis instructor and arts and crafts director, Mrs. Barbara Rowe, PCS girls' physical education instructor; and director, swim instructor and lifeguard, Terry Lowe, Wesleyan University graduate student.

One of the finest swimming instruction programs in this state was conducted by Director Lowe. The program had an enrollment of over 250 children, and the three instructors were pressed every minute in order to handle this number. Also, there were evening lessons for adults. Director Lowe was assisted here by experienced swim instructor, Mrs. Jane Cover. In addition, along with the usual afternoon recreational swims, there were two family swims a week throughout the summer.

Considering the bad weather of August, this was a remarkably sustained program. One of the greatest successes of that program was the swim team. Serving both as an incentive to learn proper swimming technique and as a fine means of competition, the team lost only one dual meet, and fared well in the state recreational program swim meet.

Concluding the year was a gala water carnival, and

the competition for the Major A. Erland Goyette Memorial Swim Trophies, given annually to the best boy and girl swimmers at the pool. The carnival gave parents the opportunity to watch their children show off the skills they had learned this year. Swim certificates were awarded for their achievement, and the carnival closed with the traditional watermelon scramble and feast.

The Major A. Erland Goyette Memorial Awards were presented for the second year. The lovely silver trophies, donated by Mrs. Goyette, are presented each year – with the winners having their names engraved on the trophies and receiving a plaque as a memento of their achievement. It is hoped that the trophies will become a traditional award, and serve as an incentive to youngsters to become fine swimmers. This year's winners were Joyce Tilton and Mike Doud.

On the playground, Mrs. Rowe directed the finest tennis program we have ever had. Close to 100 youngsters participated in the lesson program. The tennis action concluded with a tournament for children and adults. This first Peterborough Tennis Tournament was sponsored by the Peterborough Rotary Club, to whom we are most grateful. Deserving much of the credit for the success of the tournament is Mr. David Ashton, who laid the groundwork for the tournament and kept it moving.

Mrs. Rowe also directed an arts and crafts program, conducted a ping pong tournament, and was responsible for conduct of the playground area.

For the older boys, Director Lowe with the help of George Shea coached a baseball team which played several games with neighboring camps and towns. In addition, for the teenage set, two dances were conducted at the playground, with a local rock and roll group supplying music.

At the end of the regular playground season, three maintenance projects were carried out. The sills and lower siding were replaced in both wings of the bath house; piping near the tennis courts was replaced, in order that the courts could be flooded for skating without the danger of pipes freezing; the asphalt curbing on the far side of the courts was removed so that the rink could be plowed properly.

As chairman, I have one further recommendation to make. It is my belief that the committee should include among its membership a woman – a person who has the opportunity to appear regularly at the playground, and

thus would have a better opportunity for an adequate knowledge of its daily affairs; preferably a mother, who has, in her children, a more direct interest in the program.

I close this report with thanks to the following people, who all played a part in the success of our efforts; our outstanding staff, the Selectmen, the Police Department, business men who loaned us their trucks and equipment. In addition. we wish to thank all of the parents who donated their time to help make this year a success, and especially Mrs. Sweeney, who made the hundreds of swim ribbons which were awarded throughout the year, and to Mr. and Mrs. Rice who donated the wood for the warming hut.

Respectfully submitted,

Ralph Tilton, Chairman
Lawrence Bishop
Marty Dedo

Donald Fritz

PLANNING BOARD REPORT

The Planning Board held 32 meetings since January 1, 1964, to and including March 1, 1965. The first 11 meetings were devoted mostly to our Land Subdivision areas.

We are glad to report that our four Land Subdivision projects have been completed and came up for approval by the Planning Board at a Public Hearing held Monday evening, March 1, 1965, at 7:30 P.M., at the Selectmen's Room.

In answer to the petitions to lay out the roads in the Subdivision areas, the Selectmen held a public hearing at 8:00 P.M., Monday evening, March 1, 1965 at the Selectmen's Room.

Since the month of September, we have held 21 meetings. All of these were devoted to preparing a Zoning Ordinance to be acted upon at the Annual Town Meeting March 9, 1965. We appointed an advisory committee of eighteen citizens to assist the Planning Board in the preparation of the proposed Zoning Ordinance.

Due to a change in the law in the Legislature of 1963, zoning ordinances or amendments have to be voted on by regular ballot Town Meeting Day. Also the law prescribes that we must provide for two Public Hearings, one of which was held on January 27, 1965, and the other on February 17, 1965. The Zoning Map and the Ordinance was filed with the Town Clerk on February 20, 1965.

A copy of the proposed ordinance and the Zoning Map will be on display to the Voters on Town Meeting Day. The question will be placed at the bottom of the official ballot in the following manner:

"Shall the Zoning Ordinance as proposed by the Planning Board be adopted by this Town?"

Yes No

Due to the illness of our Surveyor, it was impossible to complete our Town Map and Directory. We expect to have it ready by July 1, 1965.

The Peterborough Planning Board

SUPERINTENDENT OF SCHOOLS
William E. Kelly

TEACHER CONSULTANT
Earl D. Barnes

TRUANT OFFICER
Arthur Jackson

SCHOOL NURSE
Doris L. Wiklund

SCHOOL PHYSICIAN
Mahlon R. Mason, M. D.

B. NO-SCHOOL SIGNAL

In case of emergency when it seems inadvisable to have schools in session on any day, the No-School Signal will be given by sounding the signal 22 on the fire alarm system at 7:15 A.M., and by having it announced over radio station WBZ, WKNE, and WKBK at the same time approximately. When the No-School Signal is given it means that there will be no school in all grades all day.

Parents and pupils are urged to depend upon the fire signal, T.V., or radio for no-school notices. The local telephone operators are no longer able to assist in giving no-school information.

C. CALENDAR

1965

D. REPORT OF DISTRICT CLERK

RECORD OF THE PROCEEDINGS:

At a meeting of the inhabitants of the School District of Peterborough, qualified to vote in District affairs, holden at the Peterborough Consolidated School on Wednesday the 4th day of March, 1964, at 7:30 o'clock in the afternoon.

The Moderator, Maurice M. Blodgett, called the meeting to order and proceeded with the business as follows:

After the reading of the Warrant, the following motion was presented by the School Board and passed without discussion:

Art. 1: Moved that the salaries of the district officers for the ensuing year be as follows: Each school board member, $50.00; Treasurer, $75.00; Clerk, $10.00; Moderator, $10.00; each ballot clerk, $5.00. The following motions were also presented by the School Board and passed without discussion:

Art. 2: Moved that the reports be accepted as printed and placed on file with the clerk.

Art. 3: Moved that the district petition the State Tax Commission to have an audit made by the Division of Municipal Accounting.

Under Article 4, the following motion was presented by the School Board: Moved that the school district raise and appropriate $469,834.13, and to authorize and direct the school board to apply against said appropriation such income as is estimated by the school board exclusive of state aid, and upon the determination of the amount of state aid to be received by the school district during the next fiscal year, to authorize and direct the school board to apply against such appropriation the sum to be received from state aid

and with the school district clerk certify to the selectmen the balance as an assessment to be raised by the Town for school purposes. After a full explanation by Kenneth Whiton, Chairman of the School Board, the motion was passed without discussion.

Art. 5: The following motion was passed without explanation or discussion:

Moved that the school board be authorized to make application for and accept on behalf of the district, any or all grants, forthcoming under Title III, V, or VIII, or any combination thereof, of the National Defense Education Act, Public Law 85-864 or any or all grants of other funds which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire under the provisions of the National Defense Education Act.

Art. 6: A motion by the School Board: Moved that the district raise and appropriate the sum of $1,500.00 toward the costs of a language laboratory. Gordon Hale, reporting for the Budget Committee, said his Committee opposed the appropriation at this time, and the motion did not pass.

Under Art. 7, the following motion was presented by the School Board: Moved that the school board be authorized to enter into long term tuition contracts with other school districts of the area, such contracts not to exceed a term of 20 years from the date of the contract.

After an explanation by Mr. Whiton, an attempt was made by John Clossick to defer action on this motion until after action taken under article 10. This attempt was defeated, and after much discussion and many questions, the motion passed.

Art. 8: A motion presented by the School Board: Moved that the district reappropriate the $2,500.00 raised and appropriated under Article 11 in the 1963 Warrant to meet additional expenses of the current year for building plans and land survey purposes. This motion was adopted.

Under Article 9, the following motion was presented by the School Board: Moved that the District authorize the School Board to purchase: A. A certain tract of land situate on the eastern side of High Street, adjoining on the north the present property of the District, containing about thirty (30) acres, owned by LaRoche Land Development Corp.; and B. Another certain tract of land situate on the western side of Elm Street and the southern side of the Nubanusit River, containing about seventy-eight (78) acres, and including parcels understood to be owned by Edward P. Barry, Hazel N. Goyette, J. Lester Low and Charlotte F. L. Low, the State of New Hampshire, and others, at such prices as the School Board may think proper and to accept deeds thereof reserving to the respective grantors the option to re-purchase the same at the

price paid by the District if the premises shall not be used for school purposes on or before April 1, 1974. Mr. Whiton explained the position of the School Board as to the advisability of the purchase of both tracts of land by the District at this time, after months of careful study by the School Board and a special committee appointed for that purpose.

Forrest Mercer made an attempt to amend the motion by dividing it into two parts so that each tract of land be voted upon separately. This attempt failed. There was much discussion and speeches were made by the messrs. Keenan, Mercer, Musser, Richard Allen Day, George Kendall, Mark Wheeler and others. The motion was passed.

The following motion was presented under Art. 10: Moved that the District appropriate the sum of $56,400.00 for the purchase of the tracts of land described in the motion adopted under Article 9 and that it raise the said sum as follows:

A. With respect to the tract on High Street, by the issue of the note of the District in the amount of $25,800.00.

B. With respect to the tract on Elm Street, by the issue of the note of the District in the amount of $30,600.00. And that the District authorize the School Board to determine the terms and conditions upon which said notes shall be issued, including their sale and the time and place of payment of principal and interest, in accordance with the provisions of the Municipal Bonds statute. Superintendent Foote explained the methods and details of obtaining these notes. A standing vote was taken on his, and the Moderator appointed the following as tellers: Paul Cummings, Thomas Nichols, John Bastille, Edward Whitney. The vote was 255 for the motion and 5 against, and the motion was declared adopted.

Under Art. 11, the following motion was passed without discussion: Moved that the district raise and appropriate the sum of $7,500.00 for the development of plans and specifications of a proposed new school building, and for professional services related to the project, including the acquisition of land, such funds to be made available as a deficiency appropriation for the current school year and prior to June 30, 1964.

Upon a motion presented by Elinor Blodgett, a rising vote of thanks was given Mr. Whiton for his excellent presentation of the articles brought before the meeting.

Martin J. Keenan expressed the loss to the Town by the retirement of Mr. Whiton, after his untiring service on the School Board, and Mr. Robert Derby, leaving the Treasurer's office after many years of service. He called for another rising vote of thanks to both of these public servants.

There being no further business, the Moderator declared the meeting adjourned, to be reopened on Tuesday, March 10, 1964, at

8:00 o'clock in the forenoon at the Town House in Peterborough, for the purpose of electing officers for the ensuing year.

The following officers were elected by the District on Tuesday, March 10, 1964:

Moderator, Maurice M. Blodgett	1094 votes
Clerk, Helen A. Keenan	1080 votes
Treasurer, Paul F. Crowell	640 votes
Harold W. Regan, Jr.	410 votes
School Board Member:	
Richard C. Johnson	466 votes
Stanley W. Peters	677 votes

Paul F. Crowell and Stanley W. Peters, having the majority of votes cast, were declared elected to the office of treasurer and school board, respectively.

Respectfully submitted,

Helen A. Keenan, Clerk

TOWN OF PETERBOROUGH

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Peterborough qualified to vote in district affairs:

You are hereby notified to meet at the Peterborough Consolidated School in said district on the 3rd day of March, 1965, at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.

2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

3. To choose Agents, Auditors, and Committees in relation to any subjects embraced in this warrant.

4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.

5. To see if the district will authorize the school board to make application for and to accept, on behalf of the district, any or all grants forthcoming under Titles III, V, or VIII, or any combination thereof, of the National Defense Education Act, Public Law 85-864 or any or all grants of other funds which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire under the provisions of the National Defense Education Act.

6. To see if the district will authorize the school board to place any unanticipated income from tuition and sweepstake monies received during 1964-65 into the general fund.

7. To see if the school district will vote to create an area school district planning committee, as prescribed in R.S.A. 195-A:3, and elect three members, one of whom must come from the school board or determine that they be appointed by the moderator.

8. To see what sum of money the district will vote to raise and appropriate for architect's fees for the development of plans for a new school through the issuance of serial notes or bonds upon the credit of the district and whether the district will authorize

the school board to determine the terms and conditions upon which the notes or bonds shall be issued, including their sale, and the time and place of payment of principal and interest in accordance with the provisions of R.S.A. 33, and the amendments thereto.

9. To see what sum the district will vote to raise and appropriate for constructing, equipping, and furnishing a school, including development of the site therefore and access roads, and whether the district will certify any part thereof to the selectmen as an assessment to be raised by the town for this purpose and what part thereof shall be raised through the issuance of serial notes or bonds upon the credit of the district and whether the district will authorize the school board to determine the terms and conditions upon which the notes or bonds shall be issued, including their sale, and the time and place of payment of principal and interest in accordance with the provisions of R.S.A. 33, and the amendments thereto.

10. To see what sum of money the district will vote to raise and appropriate to develop the athletic fields on the so-called Larrabee land, and whether the district will certify any part thereof to the selectmen as an assessment to be raised by the town for this purpose and what part thereof shall be raised through the issuance of serial notes or bonds upon the credit of the district and whether the district will authorize the school board to determine the terms and conditions upon which the notes or bonds shall be issued, including their sale, and the time and place of payment of principal and interest in accordance with the provisions of R.S.A. 33, and the amendments thereto.

11. To see what sum of money the district will vote to raise and appropriate to erect a chain link fence on the Summer Street side of the athletic field.

12. To see if the school district will authorize the school board to sell the Central School lot, or take any other action relating thereto.

Given under our hands at said Peterborough this 16th day of February, 1965.

Mark G. Wheeler
Margaret H. Clement
Stanley W. Peters
School Board

To the Inhabitants of the School District in the town of Peterborough qualified to vote in district affairs:

You are hereby notified to meet at the Town House in said Town of Peterborough on Tuesday, the nineth of March next at eight of the clock in the forenoon, (Polls close at 6:00 P.M., unless otherwise voted), to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

Given under our hands at said Peterborough this 16th day of February, 1965.

Mark G. Wheeler
Margaret H. Clement
Stanley W. Peters
School Board

PART II. INSTRUCTION

Yeo, H. William	Biology	B.S. '56, M.E. '59, Springfield College	7	6,701 00

School opened in September, 1964, with the following new staff members: Mrs. Virginia H. Burgess, Grade 5; Miss Ann deNicola (who was later replaced by Mrs. Marvin Juran), French; Mr. Gerald H. Faunce, Grade 9; Mr. Thomas K. Gordon, Science; Miss Joanne Gumaer, Math; Mr. Neil R. Howard, English; Mr. James L. Patterson, Math; Mrs. Polly P. Ray, English 7&8; Mrs. Joan F. Schnare, Grade 1; Mr. Robert O. Smith, Jr., Special Class.

B. SCHOOL PROGRAM

Elementary—Grades 1-6

There have been few changes in the personnel of the elementary school. Mrs. Somero has left grade one this year and is now teaching a second grade. Mrs. Schnare has replaced Mrs. Somero as one of the first grade teachers. Mrs. Burgess is now teaching one section of grade five. She replaces Mrs. Verhey who is now the remedial reading teacher in grades seven through twelve.

The modern math program has been extended into grade four this year and consideration is being given to include grades five and six next year. Grade four teachers have been meeting with Mr. Barnes and other teachers in the union to continue the evaluation of the program and to determine what parts of a traditional program should be included in our curriculum. Test results indicate that this program is a successful one.

With the ever increasing demands placed upon the school curriculum it is essential that we examine our total elementary program. We are, at present, examining our current program in relation to the total time allotted each day to reading, mathematics, and spelling. This study will be expanded during the year to include all areas of elementary education.

The sixth grade pupils attended Sargent Camp from October fifth through October ninth. Perhaps you would be interested in some of the concepts developed and observed during this week:

1. Plants and animals have special adaptations in order to live in their particular environment.
2. Plants and animals depend upon each other for food, shelter, and protection.
3. Changes are always taking place in nature.
4. Weather, plants, animals, and diseases cause changes in the environment.
5. Man's welfare depends upon the natural world.
6. Some resources are relatively inexhaustible: air, sunlight, water, rock.
7. Some resources are renewable; soil, vegetation, animal life, fresh water.
8. The existence of animals and plants depends on the soil.

These are only a few of the concepts developed during this week. As in past years this program was a very worthwhile experience for the teachers and pupils involved.

Junior High Grades 7 & 8

The staff of the junior high has been hard at work examining and refining the philosophy underlying the education of students at Peterborough Junior High School.

Ability Grouping:

The purpose of ability grouping is to achieve a closer correlation between the ability and achievement of each child. The teacher has a better opportunity to approach each pupil at the level of his own capacity and to utilize the techniques most profitable for a particular ability group. The hours devoted to instruction and study are more profitable for both pupil and teacher.

The results of ability grouping depend less upon the fact of grouping itself than upon the philosophy behind the grouping. Differentiations in content, method, and the technique of the teacher decides in large measure the success of ability grouping. Because of this, we hope to make a wide variety of materials available to the teachers in the very near future.

Basis for Marks:

In determining any mark, only those factors are taken into account which afford evidence of the degree to which the pupil has attained proficiency in a particular course. Daily work, class tests, oral participation, quizzes, and final examinations are examples of factors which indicate progress toward the objectives of instruction.

Attendance, effort, attitude, and conduct should receive no direct consideration, since they indirectly and automatically affect the pupils' test scores, daily work, and participation. Any deductions for such factors are unnecessary and unfair to the pupil.

Extra Credit Work:

As a general rule students will not be allowed to do extra credit work in order to improve low marks. If a student is in academic difficulty it is not advisable to have that student take additional time away from his daily preparation in order to complete an extra credit project. A teacher plans his program to teach certain facts and concepts; those he considers to be important. The energy and ability of each student should be directed toward the realization of these objectives.

Self-contained Classes:

The self-contained classes for grades seven and eight are designed to help the pupils who find it difficult to adjust to the departmentalized situation. Through this more personal relationship with a single teacher, the pupils have a better opportunity to achieve according to their abilities. This progress may enable some students to join a departmentalized class for one or more subjects during the year. Some eventually join a standard class as a full time member. For others the advantages of this type of class may be necessary for the rest of their school experience.

Junior High Library:

The Junior High library, under the direction of Mrs. Carll, has been expanded this year through donations by very generous towns-

people. A book drive was held early this year and the response was very gratifying. Large numbers of various types of books were donated. Out of a junior high population of 170 pupils, approximately forty pupils make use of the library facilities each day.

Guidance:

Elementary and junior high guidance is on a full time basis this year. This makes it possible to improve several guidance functions. A good deal more attention can be given to the prevention of the development of emotional problems due to a learning disability, school readiness at the six year old level, more help for students in study techniques, and in general more attention to preventive work instead of only emergency cases.

The programs at both the elementary and junior high level are handicapped by lack of space. Six of the thirteen elementary classes have more than thirty pupils. This limits the amount of individual attention that children are able to be given.

The situation in the junior high school is just as serious. Almost without exception it is necessary to have study halls in the back of the rooms while classes are being conducted. This is not a good situation for the pupils having classes or for the pupils having study halls.

Senior High Grades 9-12

We estimate that we are now using about 95% of our building facilities during every period of the school day. When we consider that most schools use about 75 to 80% of the school facilities during the school day, our figure shows the crowded conditions of our building.

Many innovations have been introduced this year, many adjustments had to be made in regard to space and convenience and some adjustments had to be made in the schedule in order to solve some of our more immediate problems.

This report could be very lengthy and more explanatory but it will be our intention to give the highlights of the school year and try to give a general progress report.

OUR MOST SERIOUS PROBLEMS

1. A way should be found to get more area allotted for the outdoor physical education program, recess, and the athletic program. Our present space is far below the recommended area for our 910 students.

2. In order to protect the students in the play area, a chain link fence is definitely recommended because of the dropoff area on the east side.

3. Our crowded condition results in a very tight and crowded lunch schedule. It is our recommendation that some alterations be made in the cafeteria to reduce the noise element during the lunch programs.

THE SELF-CONTAINED CLASSES

It has been our philosophy that measures had to be taken in order to reduce the dropout problem as much as possible and also to give those students who have some academic deficiencies an opportunity to get more individual help. For these two main reasons the self-contained classes were established. We established a self-contained grade 7 class in 1962. We continued this system by creating a self-contained 8th grade class in 1963, and last September we created a grade 9 self-contained class. We are one of the first schools in the state to establish this form of classroom procedure. It is our sincere hope that we can continue this philosophy up through grade 12. These classes at the present time are running from 13 to 18 students per class. The guidance officers, the self-contained teachers, and the administrators meet quite often to get an up-to-date evaluation of progress made in this area. Our experience to date shows that the success of this self-contained philosophy depends on many factors. Perhaps the most essential factor is the rapport established between the teacher and the students which in turn creates rapport between the students themselves, thus making a "family" atmosphere. Other factors leading to success have been:

1. The flexibility of grouping according to ability level.
2. Motivation created by desire to participate in departmentalized groups.
3. Frequent reports to the parents.
4. Absolute awareness of the worth of each individual.
5. Working at a level where success is achieved.
6. Increasing amounts of published material geared to the abilities of these children.

It is hoped that during the junior and senior years part of each day will be devoted to on-the-job training. We have found that the parents, for the most part, have complete understanding of our aims, methods and results. The self-contained classes are very ably handled by Mrs. Eva Gagnon, Mrs. Barbara Fontaine, and Mr. Gerald Faunce.

FRENCH CURRICULUM

We agree that a major general objective of learning a modern foreign language (French) is to make contact, through the spoken and written word, with those for whom that language is the mother tongue. We hope to establish a coordinate system of two languages (French and English) which function independently of one another. We hope to teach the four skills — hearing, speaking, reading, and writing French and in the order as stated. In short, the student should learn to comprehend what he hears, to speak what he has heard, to read what he has spoken, and to write what he has spoken and read. Our plans call for a four-year program in French. Our junior high French program seems to be producing the expected results.

Our French program was highly praised by a French educator who was sent by our U. S. State Department to visit certain schools in New Hampshire.

READING

Our reading program this year has been under the direction of Mrs. Norma Verhey. Remedial education, reading in particular, deals with those students who did not learn through the use of educational procedures that were effective with most children. A child who has been unsuccessful in reading gets caught in a vicious cycle. Having faced unpleasantness and disappointment, he develops a dislike for reading. He does a minimum amount of work but fails to enjoy the wonderful rewards of enjoyment through reading.

Every class contains a span of three to five reading grade levels. It is difficult for the regular classroom teacher to inspire, instruct, and succeed with such a wide range of abilities. Therefore, a reading teacher can be of beneficial help to the student in every grade.

The remedial child should not be confused with the "slow learner." A remedial case is a child with a low level of reading ability as compared to his mental ability. Pupils who cannot participate in classroom learning situations which involve the use of textbooks are in need of remedial instruction.

ENGLISH DEPARTMENT

This year the English Department has, for the first time, a designated Chairman. Mr. Neil R. Howard, a former member of the PCS faculty who has recently returned to Peterborough following a four year administrative position in Virginia, heads the department.

Currently, the curriculum is being studied and evaluated during the departmental meetings which are held regularly. Revisions and suggestions are in preparation to be presented to the administration for consideration and possible inclusion in next year's English curriculum. Techniques in the reading and writing areas will be strongly emphasized.

THE LIBRARY

The library continues to add new volumes, periodicals, and reference material. Contributions are still being offered by interested citizens to improve our library setup. It is our sincere hope that a full-time librarian can be included in our plans for the school year of 1965-66.

GUIDANCE

During 1964 the high school guidance office was busy as usual with counseling activities related to personal, social, and academic problems confronting our high school students.

The philosophy of our guidance department continues to be that counseling is a process of helping, assisting, and clarifying, with the major emphasis on the development of an independent, happy citizen who is secure enough so that he can work toward helping others to achieve similar security.

A new system of student registration and programming was developed this year. The combined efforts of the Jaffrey and Peterborough guidance counselors led to the adoption within the school union of a unique keysort system of planning student and school programs. It is felt that this system, utilized partially last spring, will be of great help during this coming year.

All students, and their parents, are encouraged to utilize the counsel, facilities, and materials available through the guidance office.

We have already started to formulate our plans for the 1965-66 school year and we realize that because of our space problem, we will have to experiment with the schedule so that innovations recommended by the teachers and the administration can be fitted into the program.

The administration would like to take this opportunity to complement the teachers, the custodial staff, and the secretaries for their cooperation and help in making the program work as efficiently as it has this year. It is only through the efforts of the above people that the principal can foresee and plan for the necessary needs of the entire student body. It has been very encouraging to know that the general public, the members of the school board, and the superintendent are appreciative of the efforts of the staff in producing a good school system for the Town of Peterborough.

Superintendent of Schools

Earl D. Barnes
Teacher Consultant

PART III. SCHOOL PLANT

A. Repairs

Our custodial staff has completed some major projects during the summer and during vacations.

1. The corridor and six classrooms in the elementary wing have been painted.

2. 1900 square feet of tile was placed in the girls' and boys' locker rooms.

3. Some storage cabinets and shelves were built in ten of the classrooms.

4. One of the labs was moved from the new wing to the science area in the old building so that all science classes could be held on the bottom floor.

5. A new wall was built in the junior high section to give the school one more classroom.

6. One wall was taken down in the boys' locker room to give more space for physical education classes.

B. Insurance

Fire & Extended Coverage on Peterborough Consolidated School and Contents ($720,000.00)

Boiler Insurance, Property & Liability on Peterborough Consolidated School

Owners' & Tenants' Liability, including teachers

SUMMARY OF FINDINGS AND RECOMMENDATIONS

August 20, 1964

The School Board
Peterborough School District
Peterborough, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Peterborough School District for the fiscal year ended June 30, 1964, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1963 and June 30, 1964, are presented in Exhibit A. As indicated therein, the Net Debt increased by $33,708.55 during the fiscal year ended June 30, 1964.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change as indicated therein.

Comparative Statements of Appropriations and Expenditures—

Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures estimated and actual revenues for the fiscal year ended June 30, 1964, are presented in Exhibits C & D. As indicated by the Budget Summary (Exhibit D), a revenue surplus of $13,406.67, less a net overdraft of appropriations of $11,130.34, resulted in a net budget surplus of $2,276.33.

Summary Statement of Receipts and Expenditures: (Exhibit E-1)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1964, made up in accordance with the uniform classification of accounts, is included in Exhibit E-1. Proof of the Treasurer's balance as of June 30, 1964, is indicated in Exhibit E-2.

Statement of School Lunch Account: (Exhibit F)

A statement of the School Lunch Account for the fiscal year is contained in Exhibit F.

Statement of Bonded Debt: (Exhibit G)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1964, showing annual debt service requirements, is contained in Exhibit G.

Statement of School Tax Account: (Exhibit H)

Exhibit H presents a statement of the School Tax Account with the Town of Peterborough. As indicated therein, as of June 30, 1964, the School District had received from the Town, the total amount of the 1963-64 School Tax of $340,603.40, less an advance payment of $35,000.00 received in year ended June 30, 1963.

GENERAL COMMENTS

Current Surplus or (Deficit):

It is noted that the current financial condition of the School District changed from a current deficit (excess of current liabilities over total assets) of $1,891.59, to a current surplus (excess of total assets over current liabilities) of $799.86, during the fiscal year ended June 30, 1964 as shown herewith:

	June 30, 1963	June 30, 1964
Total Assets	$33,964 21	$12,333 48
Current Liabilities	35,855 80	11,533 62
Current Surplus or (Deficit)	($1,891 59)	$ 799 86

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Peterborough School District for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler, Director
Division of Municipal Accounting
State Tax Commission

Frederick E. Laplante, Auditor
George L. Russell, Accountant

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire
August 20, 1964

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Peterborough School District for the fiscal year ended June 30, 1964. In our opinion, the Exhibits presented herewith reflect the true financial condition of the School District on June 30, 1964, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Harold G. Fowler, Director
Division of Municipal Accounting
State Tax Commission

Frederick E. Laplante, Auditor
George L. Russell, Accountant

PART V. CHILD ACCOUNTING

A. Graduations from High School

Seventy students, as compared with fifty-two students in 1963, and forty-six in 1962, were graduated from Peterborough High School in June 1964.

Following is a list of the graduates:

Judith Boutwell, Cornelia Brous, Barbara Brunell, Virginia Buckley, Lauren Brunell, Marcia Burke, James Burt, Harley Cass, Rosamond Clukay, Judith Colburn, Mary Cornwell, Elizabeth Craig, Dale Daigneault, Carol Davis, Elizabeth Davis, Charles Eaton, Rosemarie Ehrler, William Fogg, Bruce Gagnon, Mark Gallup, Walter Gleason, Stuart Goldman, Joyce Guptill, Grace Goodwin, Lorna Haas, Nancy Hadley, Margaret Hammond, Robert Hanson, Robert Harris, John Jordan, Sandra Jordan, Stephanie Kereazis, Barbara Kolb, Rebecca Lavender, Judith Lavoie, Raymond LeClair, Carol Lewandowski, Richard Mackey, Cynthia Magoon, Alan Martin, Linda Mason, George Morgan, Gisele Morin, Carl Niemela, Sherry Noyes, Henry Nyland, Donald Parkhurst, Shirley Pero, William Pickford, Joanne Price, James Quinn, Priscilla Russ, Jacquelyn Russell, Jean Sanborn, Jane Sargent, Pamela Shea, Virginia Shea, Mary Coreen Smith, Neil Springfield, Nancy Stewart, Edward Strople, Donna Stuhlsatz, Steven Tripp, John Wakeman, Lorraine Wheeler, Joan Whitney, Charlotte Williams, Kay Williams, Janet Worcester, Robert Young.

The following is an indication of what these students are doing now:

Attending four-year colleges	31%
Attending other post-secondary schools	21%
Post-graduate study	1%
Employed	27%
Armed Services	2%
Unaccounted	1%
Married	17%

B. STATISTICS FOR THE YEAR ENDING JUNE 30, 1964

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. HEALTH

The parent, the physician, and the school share the responsibility to strive toward optimal health for each child in order that he may learn to his best ability. At school it is the teacher who is the key person. It is she/he who sees the child most often, learns to know him well and is quick to notice deviation from his normal appearance or behavior.

Supporting the teacher with their special skills are the school physician, administrators, guidance personnel, custodians and the school nurse, as well as other voluntary and official community agencies.

Hopefully, our young people will be prepared to assume responsibility for their own health by the time they graduate from high school.

There were no new programs added this year. Once a week a speech therapist from Crotched Mountain Rehabilitation Center spends a day giving speech therapy to children with speech problems. This was done during school time, but paid for by individual parents. Due to lack of staff this service had been omitted for the 1964-65 school year.

Dr. Mason examined children in the first, fourth, seventh, tenth and twelth grades, except those children whose parents elected to have them examined by their private physicians. Also examined were students participating in interschool athletics, those referred by teachers, all children new to Peterborough Schools and those who had been found to have had health problems last year. Reports were sent home when problems were found to exist, with follow-up done by the nurse when indicated. The most prevalent problem continues to be tooth decay.

The P.T.A. supported Dental Program, with matching funds from the New Hampshire Department of Health and Welfare, Division of Dental Health, provided for dental care by Dr. Robert Duhaime for twenty-eight children.

Also sponsored by the P. T. A. was the elementary school vitamin program. Twenty-one thousand vitamin capsules were taken this year. Pupils who can, pay a penny a day, which usually covers the cost.

School wide vision and hearing screening was done, as usual. We are fortunate that every child may receive needed care regardless of financial status. The Peterborough Lions Club has been most generous with funds for vision correction and hearing problems may be cared for through the New Hampshire Crippled Childrens' Services.

A survey showed that about one hundred children have come into the school who have not received the complete series of three Sabin oral polio vaccine immunizations. Dr. Mason agreed that "pick-up clinics" should be held in 1964-65 for those whose parents sign permission slips.

In early April selected grades were given Heaf Tuberculin tests. Positive reactors were then given the more definitive Mantoux test. Four children, out of about two hundred, had positive reactions.

In May the mobile x-ray unit from the New Hampshire Tuberculosis and Health Association was here for one morning. Children who had positive tuberculin tests and their families were given chest x-rays, as well as members of the staff and a few people from the community — seventy in all. No active cases of tuberculosis were found.

However, tuberculosis is a disease that still causes much loss of productive time and family hardship. There were seventy new cases diagnosed and thirteen deaths from tuberculosis in New Hampshire during 1962.

Health classes are held once weekly for eight Junior High groups. Seventh grade students are concerning themselves with their physical health, while the eighth grade is discussing emotional health and the meaning of behavior.

Much appreciation is due to the many people who have helped the health program this year. We are especially grateful to our school physician, Dr. Mason, to Dr. Duhaime, our dentist, to the P. T. A. for providing the Student Health Fund and to the many individuals and agencies who have given so freely of their time and talents. It is this working together of the school and community which makes Peterborough such a happy place to work.

The statistics for the 1963-64 school year follow:

Physical Examinations:	
At School	471
By private physicians	51
Immunizations:	
Flu vaccine (staff)	20
Sabin oral polio vaccine—Type 1	101
Tests:	
Heaf Tuberculin tests	279
Mantoux Tuberculin tests	20
Chest X-rays:	
Students	7
Adults	63
Vision Tests	944
Referred to physician	67

Hearing Test	852
Referred to physician	24
Heights:	902
Weights:	902
Teacher-Nurse Conferences:	250
Parent-Nurse Conferences:	103
Home Visits:	76
Communicable Diseases:	
Chicken Pox	57
Measles	2
Whooping Cough	1
Mumps	62
Impetigo	6
Scarlet Fever	4
German Measles	77
Reportable Accidents:	69

PETERBOROUGH HYMN

A. D. 1620

God our Father!
    Glory Lord, to Thee!
Before whose voice
    Is mute the thund'ring sea!
Through wind and foam
    Thou lead'st us home—
To Thee be glory through eternity.

Lord, hunger and cold are nigh!
Lord, not for ourselves we cry—
Let not our children die!
Silence your loud alarms
God is our Shield from harms—
He will make strong our arms.
Christ, who hath calmed the wave,
Christ will uphold the brave.
Christ, our Saviour!
    Father of our Faith!
To Thee we bring faint hearts and failing breath,
    Be Thou our Guide!
    With Thee we bide,
To love, to labor, and to hope till death!

Accepted as a gift from Mrs. Edward MacDowell at the Town Meeting of 1928

Music: "A. D. 1620" from *Sea Pieces* by MacDowell, 1898

Words: Written for the Peterborough Pageant of 1910 by Hermann Hagedorn
